## Emily de le Torre / Business Owner, Miami, FL

Marketing, Graphic Design & Web Design / CBD Training Academy

### Work done for Emily:

Logo design, print & digital graphic design and content messaging for marketing materials, book & catalog design & layouts, book covers, photo editing, custom graphics

*“I have hired Cynthia on multiple occasions and she has always completed her projects on a timely and professional basis. The great thing about working with Cynthia is that she's a smart lady and it's a relief to be able to give a project to her and know she will take the ball and run with it, without having to hold her hand throughout the entire project.*

*Resourcefulness and high-end technical skills are very hard traits to find these days, especially with the number of low-quality designers and programmers that are out there.”*
